

# Leadership & Culture

## Pre-season 2016

### Setting the foundations and expectations for the 2016 season

With the newly adopted Points System & pending Salary Cap constraints, culture and internal growth of players has never been so critical to a club's success and sustainability.

**What do you want to stand for?**

**What are your goals? - Team & Individual**

**What are the accepted behaviours and expectations of the playing group?**

**How will success be defined?**

**How vital is culture & leadership towards success at your club?**

#### How it works?

- ▶ Ryan Waight will facilitate leadership workshops with the playing group throughout the 2016 pre - season.
- ▶ He can deliver between 1 - 4 sessions, depending on individual clubs' time, budget etc.
- ▶ Each session will be approximately 60 minutes in duration.
- ▶ These can be conducted on training nights, weekends and during pre season camps

#### About Ryan Waight
